

A message to all our customers, we at Regal are taking the outbreak of the Covid-19 outbreak seriously, following the advice from both the government and the World Health Organisation.

All our staff are now operating a no touch policy and using car hand sanitisers & keeping social distance as a matter of precaution in line with government advice.

All staff are to self-isolate should they experience any symptoms and not to return to work until 5 days after their symptoms have subsided.

Our suppliers are also following the guidelines of their respective governments. Our supply routes are functioning well and we will keep you informed of any changes in this situation.

We will continue to monitor the situation and advise our staff accordingly.

The safety of both our clients and our staff are paramount & we hope that things will return to normal for the country as quickly as possible.

Tony Skidmore

Managing Director
